

As a resident of the local community, it is hard to find a radio station that has clean language in the songs, the commercials, and from the broadcaster's mouth. K-LOVE, however, does provide all 3. The songs are clean with no reference to sex, murder, or other acts of violence. Also, there are no lewd commercials and no broadcaster swearing. This is very important to me as a Christian and a mother. If K-LOVE was taken off the air it would have an adverse impact on our community, my family, and myself. In addition to the previous points, I feel that listening to K-LOVE uplifts one's soul. The music is both positive and encouraging and always puts me in a better mood. THIS STATION IS IN THE BEST INTEREST OF THE PUBLIC!! Please don't take it away!
